Morija is awarded the ZEWO quality label

Morija, a humanitarian association located in Valais, Switzerland, has just been awarded the ZEWO quality label. Granted by the ZEWO Foundation this label certifies that Morija deserves the trust of its donors because it respects the requirements of transparency, professionalism and integrity.

This award is the result of an important effort involved in setting up procedures and a transparent accounting system. Morija is proud of this distinction which guarantees its status of as a fund-raising institution of public interest.

The ZEWO quality label is the only one in Switzerland to certify that donated funds are targeted efficiently and usefully; it guarantees Morija's integrity in the collection of funds and in its communication as well as the transparency of its activities and accounting.

ZEWO's activities efficiently contribute in increasing the renown of public interest institutions. It encourages people's trust and financial support. It is therefore with great pride that Morija displays the ZEWO label.
